11 Dec 2008 RAB Meeting Attend...

Classification: UNCLASSIFIED

Caveats: NONE

All:

Meeting notes are simple and are contained in this email. Staff from the Radford AAP (Government and Operation Contractor), DEQ, ARCADIS, Shaw and URS were present at or before 7:00PM to support the subject meeting. See attached sign-in sheet for details. I have also attached the public notice. By 8:01pm no one from the RAB or the public showed up so I adjourned the meeting/information poster session. Weather may have been a factor.

In any case we had and still have a lot of information to share plus a lot of effort went into preparing for and holding this meeting. Therefore we will have this poster session for the next meeting which is 7:00pm Thursday March 19, 2009 at the NRVC.

Tim Leahy/Shaw, please post a pdf of this email and attachments to our website for the meeting notes. Also this is a reminder for Shaw to coordinate with NRVC in January 2009 for payment of the 2009 meetings.

Thank you in advance for your support of the Radford AAP Installation Restoration Program. Wishing you all a Merry Christmas and Happy New Year. Please be safe during the holiday season.

All:

Per subject above this is a reminder about our next meeting. Attached is the public notice that was placed in the Roanoke Times on Tuesday November 11, 2008. Also this notice is on the cable channels similar to our September RAB meeting.

The meeting will be a poster session where each of our three Installation Restoration Program (IRP) contractors will have information to share about the sites they are working on so there is no formal agenda or presentations. So come, stop by and stay as long as you want.

Note we will have to conclude by 900pm.

Hope to see you there and thank you in advance for your support of the Radford AAP IRP.
